Our activities take place in natural habitats. Animals are free, wild and unpredictable.

We design our trips around **seasonal patterns and migration**, but we **never guarantee specific sightings**.

## 8. CATEGORY-SPECIFIC POLICIES

Below are general policies by service type. Specific trips may have additional terms in their own materials.

## 8.1 DAY TOURS (Mexico)

Examples:

- Mobula day trips
- Gray whale watching day tours
- Ocean safaris
- Freediving Training

### 8.1.1 Guest Cancellations – Day Tours

- **Full refund** if you cancel **14 days or more** before the tour date.
- If you cancel **less than 14 days** before the tour:
  - **50% refund** if you cancel within **72h** of the tour.
  - We may, at our discretion, allow a **reschedule** within 12 months, subject to availability, or
  - Try to resell your spot. If successfully resold, a partial or full refund may be offered. If not resold, **no refund**.
  - **No refunds within 72h of the tour.**

### 8.1.2 Rescheduling – Day Tours

- With **14+ days' notice**: you may reschedule within the same calendar year (subject to availability).
- With **less than 14 days' notice**: rescheduling is **at our discretion** only.

### 8.1.3 Weather & Operational Cancellations – Day Tours

If **we** cancel due to unsafe weather, sea state, mechanical issues or other operational reasons:

- We will offer a **reschedule** to the next available date set by Freefall Academy.
- If you cannot attend the new date, you can use your payment as a deposit for another trip, or request for a refund.

If a tour day is modified (shortened, delayed, adapted to more sheltered areas) for safety, this

**does not qualify** for a refund.

### **8.1.4 Late Arrival Policy**

We allow a **15-minute grace period** for late arrivals on the day of the tour.

After 15 minutes, the boat will depart out of respect for the other guests and safety conditions.

**No refunds or credits** will be issued for missed departures due to late arrival.

Participants are responsible for planning transportation and arrival times accordingly.

### **8.1.5 Minimum Participants Policy**

Some of our activities require a minimum number of participants to operate safely and sustainably.

If the minimum number is not reached, Freefall Academy will:

1. **Notify you as early as possible**, and
2. Offer one or more of the following options:
  - **Option 1:** Join the activity by covering the cost difference to meet the minimum required number of participants; or
  - **Option 2:** Move your booking to another date that already has enough participants, pending availability; or
  - **Option 3:** If neither option works for you, **we will cancel the activity and issue a full refund** of the amount paid to Freefall Academy for that specific service.

Please note:

Freefall Academy is **not responsible for external costs** such as flights, accommodation, transportation, or lost work days in the event of a cancellation due to insufficient participants.

For this reason, we strongly recommend securing **travel insurance** that covers trip interruptions or cancellations.

## **8.2 FREEDIVING COURSES (AIDA Courses in Mexico)**

Examples: AIDA 1 “Discover Freediving”, AIDA 2 “Beginner Freediver”, AIDA 3, etc.

### 8.2.1 Guest Cancellations – Courses

- **Full refund** if canceled **60 days or more** before the course start date.
- If you cancel **less than 60 days** before the course:
  - We will attempt to **resell your spot**. If we succeed, you may receive a partial or full refund.
  - If we cannot resell your spot, **no refund** applies.

### 8.2.2 Rescheduling – Courses

- With **50+ days' notice**: you may reschedule your course to another date within 12 months, subject to availability.
- With **less than 50 days' notice**: rescheduling is **at our discretion** only.

### 8.2.3 Weather & Operational Changes – Courses

For courses that combine shore sessions and boat days:

- If sea/weather conditions require us to switch to shore dives, change locations, or adjust timing, this does not qualify as grounds for a refund.
- Safety-driven modifications are at instructor and captain discretion.

### 8.2.4 Late Arrival Policy

We allow a **15-minute grace period** for late arrivals on the day of the course.

After 15 minutes, the boat will depart out of respect for the other guests and safety conditions.

**No refunds or credits** will be issued for missed departures due to late arrival.

Participants are responsible for planning transportation and arrival times accordingly.

### 8.2.5 Minimum Participants & Water Access Logistics (Freediving Courses)

Freediving courses require specific conditions and resources to run safely and effectively.

Because of this, the water access (shore vs. boat) depends on the number of participants:

#### **AIDA 1 — Discover Freediving (with Depth Option)**

- **1-4 participants:**

The course will run as scheduled, and **depth training will take place as a shore dive** (no boat).

- **5 or more participants:**

We will **charter a boat** for the depth session

## **AIDA 2,3 and 4 — Freediver Course**

Minimum required: **3 participants**

- **If exactly 3 participants:**

The course includes 2 open water depth sessions:

- **1 shore day**

- **1 boat day**

- **If 4 or more participants:**

The course includes:

- **2 boat days** for all open water training

This allows for better depth progression and smoother logistics with a larger group.

### **If minimum participants are not met:**

You will be offered:

- The option to pay the difference to run the course with fewer participants, **or**
- Reschedule to a future date, **or**
- Receive a refund of the amount paid for the course (not including external expenses such as travel, flights, lodging, etc.).

Shore dive requires a 300-500m swim to reach sufficient depth. When you sign up, you are agreeing to be able to swim this distance.

## **8.3 LOCAL EXPEDITIONS (Mexico)**

Examples:

- Multi-day Mobula Expeditions
- Marlin Expeditions in MagBay
- Baja Odyssey
- Other multi-day trips within Mexico (non-private).

### 8.3.1 Guest Cancellations – Local Expeditions

- **Full refund** (minus deposit) if canceled **90+ days** before expedition start.
- If canceled **less than 90 days** before:
  - We will try to resell your spot. If we manage to resell, you may receive a partial or full refund.
  - If we cannot resell your spot, **no refund** applies.

### 8.3.2 Weather, Flights & Missed Days

- If a **day or activity is canceled** due to weather, strong winds, unsafe sea state or unforeseen conditions:
  - We will attempt to pivot to sheltered sites or alternative land-based activities.
  - **No refunds** or partial refunds are given for missed or modified days within an expedition.
- If your **flight is delayed or canceled**:
  - You may join the expedition upon arrival.
  - We do not refund missed days or cover additional transport costs.

### 8.3.3 Minimum Participants – Local Expeditions

Most expeditions require a **minimum of 3-4 participants**.

If we cancel due to insufficient numbers (usually with at least **30 days' notice**):

- You may choose to **reschedule** to a future date, or
- Receive a **full refund** of payments made to Freefall Academy (minus any processing fees).

## 8.4 PRIVATE EXPEDITIONS

These are full-boat or custom itineraries reserved exclusively for your group.

### 8.4.1 Payment Terms – Private Expeditions

- **30% non-refundable deposit** required to secure your dates.
- **Final balance** due **60 days** before departure.
- Any transfer/processing fees are your responsibility.

### 8.4.2 Cancellations – Private Expeditions

Guest-initiated:

- Deposit is **always non-refundable**.
- If you cancel **after** the final payment is made (within 60 days), **no refunds** apply.

If **we** cancel due to a hurricane or major operational issue (Mexico-based private expeditions):

- We may offer, at our discretion:
  - A **full credit** to be used within 12 months, or
  - A **full or partial refund** of payments made to Freefall Academy (minus processing fees).

This will be clearly communicated depending on the situation and agreements with local operators.

## 8.5 INTERNATIONAL EXPEDITIONS

Examples:

- Bahamas / Bimini Dolphin Expeditions
- Any multi-day trip outside Mexico.

*International expeditions depend on foreign operators, boats, accommodations and logistics that often cannot issue refunds to us under Force Majeure (e.g. hurricanes). Our policy reflects this reality.*
